

On April 22, 1947, the Venetian Club of Hamilton's Charter of Rights was delivered to the Honorable Roland Mitchener, completing the founder's goal of establishing one of the first Italian Social Clubs in Hamilton and sealing its place in Canadian history.

Since then, the facility has developed into a well established member of the downtown Hamilton business community having hosted countless Festitalia Events, Weddings, Bridal Showers, Political Events, Anniversary, Stags, Baptism, Communion, Confirmations Fundraisers etc. etc..

We can facilitate any of your event needs, with our Venetian Room and Travani Room, 2 banquet halls together capable of hosting up to 300 guests. Our Venetian Banquet Centre is fully licensed with the LLBO, and offers a complete catering service in Italian and Canadian cuisine.

We offer full service of linen, chair covers, centre pieces and decorator services at reasonable prices.

Please contact our manager to visit our facility for a consultation and tour of our two banquet rooms. Please review our website for meal packages, or call us to help customize your event for you.

Making your experience here at the Venetian Banquet Centre is our pleasure!
